

Q2: Precis:Pakistanis and Schengen Visa Challenges.

The rejection of European visa applications for Pakistani citizens feels unfair. It is like being invited to a prestigious event and then rejected due to minor flaws. It is similar to a teacher failing a student without checking his paper. Europeans ~~think~~ think Pakistanis will harm their society. Half of the energy is used in filling documents and half in complaints. Europeans need to realize Pakistanis are also from this planet. Pakistanis deserve equal opportunities.
