Qno7. Translation

The thinker of the Africa once said, when British came to Africa they had modernity and we had land. They said that we came here to give you progress. We closed our eyes. When our eyes opened we had modernity and they had our land. Same as it is when social media and network science came. They had facebook and whatsapp. They said, it is free. We closed our eyes. And when our eyes opened we had facebook and Whatsapp and they had our freedom and personal information. So, whenever any thing is for free then we have to pay the price by giving our freedom.
