Precis

Schengen countries not accepting visa application of Pakistanis is similar to being rejected by a host in a high profile event. The feeling of rejection is compared with teacher disqualifying student's exams without reading it. On contrary, visa is granted to Western citizens whole heartedly, who aims to travel to Pakistan. Maybe Schengen countries believe that Pakistanis will cause uproar in Europe, although Pakistanis are drained out due to visa procedures. This negative stereotype associated with Pakistanis needs to be broken.

Translation

An African thinker once said that when English people came to Africa they had invention and we had land. They started saying that we came here for your development. We closed our eyes. When we opened eyes, they had our lands and we had invention. Similarly, when social network science came then they had Facebook and whatsapp. They said that it is free. We closed our eyes and when

eyes were opened then we had facebook and whatsapp and they had our freedom and personal information. Hence, whenever something is for free, then we had to pay by giving up our freedom.

Punctuation

Bill Gates once had coffee at a coffee shop.

When the waiter was taking the dishes away, Bill Gates tipped him one dollar.

"Whenever your daughter comes for coffee, she gives me a five-dollar tip", said the waiter. "She is the daughter of a billionaire," replied Bill Gates, "and I am the son of a poor carpenter. This is why it is often said, 'never forget your past, because your past is your greatest teacher'."
