Q#7

Translation.

Once, the thinkers of Africa said, when English came to Africa they had innovation and we had land. They ~~said that~~ they claimed to give progress to those people, and we closed our eyes. When eyes got opened we had innovation and they had our land. Similarly, when social network science came, they had face book and whatsapp which they claimed to be free. We closed our eyes and when we opened, they had our freedom and personal information. Hence, whenever something is free, we had to ~~pay~~ give our freedom as a price of that thing.
