Question-02

Precis:

Western Visa-Policy for Pakistan

Western countries adopt different visa-policies for Pakistan, and for rest of the world. They raise very unusual issues for rejecting visas of Pakistani citizens. On the other hand if Western countries citizens seek for Pakistan, then Pakistan gives them a very valuable protocol. Pakistanis give them a very welcome. Perhaps, Europeans think that Pakistanis will create problems there, even though they spend a large of money for paying visa-fee.

Western countries will realize when Pakistan adopt same attitude towards them.

Question - 07

Translation:

Once, African theorist said that when Britishers came in Africa they had innovation, and we were the owners of land (land owners). They said, they came here to prosper us. We trusted in them. When we opened eyes, then we had innovations, and they became the land owners. In the same way, in social network science era, they had facebook and WhatsApp and these were free of cost. We again blindly trusted in them. As a result, we were the owners of Facebook and WhatsApp, and they were owners of our freedom and personal information. So, whenever we get something free of cost, then we pay for its payment we have to surrender our liberty.
