Q.7.

An African intellectual once said that when Britains came to Africa they had the destitution and we had the land. They said that we came here to develop your land and you as well. We trusted them with blind eyes. When we opened our eyes we had the destitution, and they had the land of ours. Similarly, when social network scheme arrived, they had facebook and whatsapp. They said, it's free. We closed our eyes, and when we opened them, we had Facebook and whatsapp and they had our freedom and personal information so, whenever something is free, we end-up paying the price with our freedom.
