Question: 7 Translate into English.

An African Philosopher once said that when the British came to Africa, they had the innovation, and we had the land.

They said, "we have come to bring you progress." We closed our eyes. When opened them, they had our land, and we had the innovation. Similarly, when social network science arrived, they had Facebook and WhatsApp.

They said, "It is free." We closed our eyes and when we opened them, we had Facebook and WhatsApp, they had our freedom and personal information. Hence, whenever something is free, we pay the price by giving away our freedom.
