**Question: 07**

Once African philosopher stated that when Britishers came to Africa, they had innovation and we had land. They claimed that they are here for our development. We closed our eyes. When we opened our eyes, we had innovation and they had our land. Likewise, on the advent of social network science, they had facebook and whatsapp. They claimed it to be free. We closed our eyes and when opened our eyes then we had facebook and whatsapp and they had our freedom and personal information. Thus, whenever something is free, we have to give our freedom to pay its price.
