African Scholar once said "When English entered Africa, they had new skills and we had land." They said, we came here to give you the progress. We closed our eyes. When our eyes opened, we had skills and they had our land. Likewise, when Social Network Science came, they had facebook and whatsapp. They said, it is free. We closed our eyes and when opened the eyes, we had the facebook and whatsapp and they had our independence and personal information. Thus, when anything is free of cost, we had to suffer our independence & pay for its cost.
