Tauheed:

Tauheed is an arabic word, which means believing in oneness of God. The basic concept of tauheed is to follow or obey on God.

There are five pillars of deen-e-Islam, and tauheed is the 1st pillar of it. (Kalma) and the first part of Kalma teaches us to believe in oneness of Allah.

Monotheist Religions:

This showcase the importance of tauheed in Islam.

Importance of Tauheed:

Tauheed for a muslim is like a spiritual belief. If one get upset from this world and feels alone gets misguided most of the time, but the one who is muslim always goes to Allah and remember him in every situation.

"The highest level of (gunah) is shirk" Al-Itadees

Allah dislikes the one most- who weakens his/her iman at the time of "test", he expects his creatures to seek help only from him. The one who gets misguided and goes or believes something else than Allah he ranks his/her gunah the highest.

Direct Contact:

Allah says in Quran that he knows everything and he is present every where, he is ubigousea which means he knows what is in

our heart and mind. In Islam there is no need of mediator ~~like~~ like in most of other religions have, Christians have the fathers of the church, Hindus have the priests of their temples. But Islam is mediator free religion. Allah himself said in Quran to ask him, expect from him, he is the only one who can fulfill the need. This makes a muslim independent from all the ~~bridge~~ bridge makers, muslims belief is in direct contact from Allah.

Impacts of Tauheed in human life:

Believing in one god and having (imaan) on one Allah plays a very pivotal role in the life of a human. This belief generates the power/ability of tawakkul on human being. ~~Power~~

Tawakkul:

Tawakkul means having a strong belief that Allah is always with

him/her, which makes the one to take difficult steps alone and believe that Allah will help the one in his/her will.

Clear path:

The one who believes in tauheed will always be clear in his mind. The vision of the one will clear that this life is only a test or a temporary stop, the permanent life is hereafter. This belief makes the one to adjust in this world in every condition that will make the one always optimistic and positive in nature. Thankful in every condition of life.
