## Translation?

The scholar of Africa once said that when the whitmen came to the Africa, they had innovation and we had land. They said that they came here to progressed us. We closed our eyes. When opened an eye, we had innovation and they had our land. In the same way, when social network came, they had facebook and whatsapp. They said its free. We closed our eyes and when we opened a eye then we had facebook and whatsapp and they had our liberty and private information. So, whenever there is a free thing, we must pay its price by giving up our liberty.
