QNO:2 PRECIS

Schengen Countries and Visa Hurdles

Rejection of Pakistani Visa applications by European countries can be compared to failing a student by teacher without taking a view of his exam. Contrary to this, Pakistanis always welcome them by presenting

them their dishes, culture,
and respect their remarks.

Europeans think Pakistanis
will cause violence in
Europe. However, they are
exhausted during visa
process. These countries will
understand these problems
when they will face the
same situation.
