

TEST:01

January - 2025

Qno:01

English Precis & Composition:-

Title:

Most people don't think about their little acts of corruption that can affect the whole society. It becomes normal in a society and drain out the trust and fairness in society. Due to this, system become corrupted, progress become hampered. There is no meritocracy and inefficiency become the norm. Corruption also affect equality, when people succeed through shortcuts, those who believe in integrity become hopeless. People in such type of corrupted societies faces political instability, economic decline, and social unrest. Thus, every little act of corruption leads to

corrupted society. If everyone resists the temptation to compromise their values, fairer societies can be formed.

Qno2

## Comprehension:-

Qno2

### Reasons to fail in keeping New Year resolutions-

Primary reasons of people failing in keeping new year resolution is that people approach these goals in a wrong way. New Year's resolution are often rooted in impulsive desires or societal pressures, rather than genuine, long-term commitments. Thus, this impulsive nature makes it easy to abandon them when the going gets tough.

Qno2

### Reasons of inefficiency of resolutions-

Resolutions tend to be ineffective even though people are highly motivated at the start of the year because resolutions are typically vague and broad making it difficult to track progress or measure success. Secondly, Another issue is the disconnect between resolutions and realities of daily life. Moreover, resolutions are impulsive rather than genuine, long term commitments.

Reason

### Reasons of People making resolution year after year:

There is a deep psychological reason for the people making New Year's resolution year after year despite knowing they may fail. As the start of New year offers a symbolic opportunity to hit the reset button, to start fresh. This feeling of a clean slate fuels hope and people makes New Year's resolution year after year.

Q. No 3

## Effective approach to achieve Lasting Changes-

To make real, lasting change, individuals need to shift their focus from symbolic resolutions to practical, well defined goals that align with their personal values and are structured around achievable steps. Only then can lasting change be achieved.
