

## Question #2

Title: Pakistan vs Schengen Visa

Pakistani citizens are facing the problem of visa rejection from Schengen countries and it looks like a clear injustice. But people from these countries get Pakistani visa easily and enjoy Pakistan's culture. They are honoured and as a result they give instructions (infact speeches) to solve minor problems. It is a very tough target for a Pakistani to get a European visa. His half energy is utilized to get visa and remaining is wanted to prove why he comes Europe.

These countries have to realize that there is not a big difference in their people and Pakistani people. They also need to follow complete process to get Pakistani visa.

## Question #7

Once an African philosopher said, when British came Africa they had ~~beaten~~ <sup>innovation</sup> and we have earth. They said we came here to give you for your progress. We close our eyes and then we have innovation, they have earth. After that Likewise when social network science came they have facebook and whatsapp. They said its free.

We close our eyes and when  
eyes open we have facebook and  
whatsapp and they have our  
independence and our personal  
information. Thus whenever something  
is free then we have to pay  
it price by our independence.
