	Mill diagreed with Bentham are being	
	entitled below:	
		, ,
*	Justifying actions based on Result:	1
	Mill cripized Bertham on his	
	point of his Act Utilitarianism, that	
	actions should at be based on results. Mill	
	says that several actions might not be	
\$7	successful, and resultantly might not result	
	in good results, but still that does not	1
	mean that those actions are morally	-
	whose Enample of this could be, a man	1
	lying to help another old man in crossing	
	the road, but due to certain reasons he
