

Schengen Visa: Inadmissible for Pakistani citizens

Overall idea is ok

08/20

Title is ok.

Grammar is ok.

contrarily

The applicant of Pakistan faced many challenges in getting a visa for Schengen countries. Their application gets rejected on arbitrary grounds, citing incomplete documentation or dubious intention, creating a perception of discrimination and bias. Alternatively, Pakistan welcomes western citizens wholeheartedly, offering hospitality and tolerating criticism. Schengen countries should realise that Pakistanis are human too, because no one knows when the wheel of time put Schengen countries in the same situation.

An African philosopher once said that when the British arrived Africa, they had the technology and we had our land. They claimed we have come here to develop you - we believed and closed our eyes. However, when we opened them, we had technology and they had our land. Similarly, when social networking sites were invented, they brought facebook and whatsapp, claiming these services were free. We closed our eyes and when we opened them, we had facebook and whatsapp, but they had our freedom and personal information. So, whenever something is offered free, we must pay for it with our freedom.
