9	Q:1
1	power speculated by no body. Reasons:
7	1. Weakness of Regime:
1	i) Minority govt: It did not enjoy the support of majority
1	even not pom other shig's like Asmailis.
7	the is unpopular with in system so it was bounce to
7	happen soon or later.
-3	ii) corruption and Bood governace: Add refrences
	everyone is thinking about themselfs histead of thinking about
	the state and healing of state gout officials abusing their
	political powers for printe gain in the country of syna.
	iii) Lack of loyalty: demoralized from rebels.
	lack of loyalty from their majority sanni population. and less
-3	louises and wasse provided to their Armed forces as Iran and
7	Russia were engaged in their war with Israel and ukrain respectively.
-	2. Shenglt of Rebels:
-	Rebels was organization of Al-Ogada but in 2016 but leader of HTS
	separated his organization from Alt Queda. in si portrait himself as
-	modern person.
	i) Planing and production preparetion:
	HT's has opened up many vilitary trainings, colleges, elite group
	elite commandos, in w/s proper military trailings given and
	projessionaly military was developed. They have expertes in
0	night warfare for who SAA (sprian Arab Army) was not
	ready at all. They are more descipline and adhere to
	call of their leader.
