	INTRODUCTION:
-	In Greaterstudies, the autonomy
	Versus integration debate is a
	logg standing one for different states. Even the developed
	world shill on some level feeling
	the at dilemma of actonomy
	Versus integration agreement and
	the developing, on the other hand,
	are still jugling in introducing

	DEBATE ON AUTONOMY:-
	In simpler terms, autonomy
	means complète indépendence
	and ad authority. Similarly,
	the debate of outbromy of
	gender studies means to invoduce
	gender studies as an digrinal
	discipline or field of study in

Also, this Eiges can give space to moverrepresented don't spoke must now here weren maisheamed e.g. - LOISTO ON women from waking class 4: CRITIQUE ON EXISTING DISCIPLINES:-Experts say that traditional disciplines donat give importance to gender view point and often give very biased and and recentic analysis of disciplines like social copy anthropology or other Gelds. INSTITUTIONAL DEVELOPMENT: 2: Stateholders and advocates of separate discipline of gender sudice say hat by autonomous field of gender studies, it will attract a lot of funding from right plantorms and would get opportunities for research work. DEBATE ON INTEGRATION:-Smilarly - there is another side of the coin as well and it says that gender studies as field

shows interpolate with another discipline. Integration mean sendind derge expanding emperated Exercised Eiston judgeday It stour D'ordone. There or maring and a lot of Key points for this debate 1: MAINSTREAMING GENDER Advocates of integration studies with other disciplines would give it a far more years For instance, embedding gende It From other field! with engineering would maingream gender analysis in marses than are far away from these detales 150 COLLABORATING WITH OTHER DISCIPLINES:collaborating with other disciplines would give more opportunities for research on an interrectional level. For instance collaborating with environmental sciences in this era of dimate change and analyzing effects of climate change on different genders would give awareness

	to many. Entegration with
