Q 1:

For too many people, the profound ramifications of corruption are not as visible. On the surface of it, it may appear easier to overlook, but the consequences it triggers run wide and deep. Ignoring it, thus, only deepens the malaise. Its adverse effects are not limited only to utopian ideas, as it dents the legitimacy of entire system, hurting the latter in several ways. Likewise, corruption instigates inequalities, putting at risk those who intend to comply with rules. More importantly, a lax approach to corruption invites wider socioeconomic unrest. Therefore, it is imperative to deem it repugnant. Doing so will serve the cause of society.

Title:

× Corruption: Ignorance Inviting Catastrophe. 0
