Title : Schengen Visa Rejections for Pakistanis  
**Visa Rejections: A Pakistani Perspective**

Precis:

The issue of Schengen countries rejecting visa applications from Pakistani citizens is similar to a host of an event rejecting the attendee due to his outfit or a teacher dismissing a student's exam without reading it. On the other hand, if a western citizen applies for a Pakistan visa, Pakistan never hesitates in welcoming foreigners. Despite submitting heavy fees and endless documents, Schengen countries still refuse to grant visas. They need to remember that Pakistanis are humans, not dangerous terrorists.
