

Q1

CLASSICAL EXAMPLE OF WAR CRIMES: ISRAEL TERROR ON GAZA.....

good

10/20

INTRODUCTION:

Israel's barbaric launched of hundreds of strikes on Gaza has made it classical example of war crimes in the contemporary world. An unjustified longheaded support from US to Israel, has also influence the jurisdiction of ICTJ on Israel. Not only the support of US has strengthen the Israel but it also had profound impacts on the relation with Arab states.

ISRAEL TERROR ON GAZA:

CLASSICAL Example of war crime

1) Israel Barbarism on Gaza:

It has been more than 1.25 year of Israel's

uninterrupted attacks on Gaza.

Attacks has resulted in thousands of civilian casualties including children and women.

Israel's attack on Gaza are strongly condemned ~~and~~ and ~~are~~ immediate ceasefire is required "

G20 countries.

2) Israel's attack on Hospitals in Gaza.

Israel has unhesitantly attack dozens of hospitals and healthcare camps in Gaza, reflecting its brutality of classical war crimes. One of the most renowned strike on the camp where a young boy was burned to death while ~~an~~ already ^{been} treated by earlier strikes shows how insane Israel is.

3) Economic devastation and Infrastructure destruction of Gaza

According to the report of UNCTAD, Gaza's GDP has collapsed to 81%, may increase in this year to 85%.

Such a massive destruction of agricultural land, buildings and other infrastructure has displaced millions of ~~civilian~~, resulting in economic crisis and Hunger.

4) Israel's deliberate attempt to stop foreign aid vows to classical war crimes

Israel has stopped foreign medical aid of UN and other multiple countries to be delivered to the affected people portraying inhuman nature of ~~Israel~~ towards innocent ~~civilians~~ of Gaza.

ICJ AND US INTERTWINED RELATION

1) Political Polarization of US on ICJ judgements

ICJ has been influenced profoundly by the US political polarization on its advisory towards Israel, which impedes ICJ's role as international court.

2) Lack of Jurisdiction Enforcement

ICJ's ruling has been not enforced properly due to the support of US to Israel, making Israel strong backed by US, which ultimately effects ICJ's ruling enforcement on Israel.

3) Fragmented International Support to ICJ

ICJ has been dependent on foreign support especially of western nations. But fragmented support impedes ICJ's role.

ISRAEL-GAZA CONFLICT AND ARAB WORLDS

1) Strategic autonomy and Defense Policy of Saudi Arabia

Saudi Arabia was negotiating with US on Israel-Saudi normalization of relations on US's defense support to Saudi. But after the conflict of Israel and Palestine, Saudi Arabia has shifted its focus more on modest military cooperation agreement, reflecting Saudi's adjustments to preserve its autonomy while maintaining essential security partnerships.

2) Impact of War on Syria

Israel's increased military operations in Syria has been regulated to stop Syria from arms support to Hamas and other armed forces, diverting from Syria's

internal policy of ~~Israel's~~ Regime
to warfare concerns

3) Israel Gaza Impact on Yemen

The ongoing ^{Gaza} conflict has significantly affected Yemen, particularly through Houthi's involvement. Houthi in solidarity with Gaza attacked an Israel's shipment and its capital Tel-Aviv. In return, Israel struck Yemen's infrastructure by bombarding Sana International airport and power plants at Hadramout.

CONCLUSION

Bringing to an end, Israel has proved its cunningness on Gaza by multiple attacks on its sensitive infrastructure and attacking Gaza's allies as well. This shows Israel's commitment to secure its National interests in all possible means

displaying a insane ^{but} ~~and~~ perfect model of classical wars. To Combat, Middle East conflict, Major Organizations has to play its role effectively, enforcing its ruling on Israel and making resolutions for both Israel to and Palestine, to negotiating with US's policies for the ~~to~~ efficient and long-term impact.

Q2

Critically Evaluate the chances of continuation of and expansion of Hamas Israel war across region.

INTRODUCTION

10/20

Hamas-Israel war has affected millions of civilians, caused thousands of casualties, impacted billions of Gaza's infrastructure, ruined hectares of agriculture land and destroyed

dozens of Healthcare departments, bringing Gaza at the verge of end. Seeing this representation, Iran-backed Hamas group and few others in Lebanon, Syria, Yemen had supported Gaza in this hour of need, causing expansion of Israel's eye in the neighbouring region thus reflecting continuation of war in Gaza with Hamas and spreading to regions.

ISRAEL - Hamas Continuation chances of War

After the attack of Hamas on Israel on 7 October 2023, Israel has started, currently existing scenario, of unended series of war strikes on Gaza, showing anger of Israel on Hamas to overthrow it permanently and for all.

ISRAEL'S MOTIVE TO CONTROL GAZA AND HAMAS RESISTANCE

Hamas has made more than 450 km long Tunnel networks, of which Israel is totally unaware to how to tackle it. This has urged Israel to make more efforts to combat this situation with more force.

Expansion Of War To Lebanon

Israel - Hamas war has circled Lebanon in it. Israel has entered Lebanon and caused multiple strikes, ^{killing} destroying 340,000 farm animals, destroying 790 Hectares of agricultural farm land, displacement of more than 100,000 civilians and causing an economic loss of 8.5 billion \$.

Pageants of Israel on Gaza Lebanon

Israel, using great technological tactics, infused mini-bombs in the Pageant devices - alternative mobile phone device for communication among groups, without getting surveilled by forces against them - to explode and kill ~~was~~ involved people in strikes in Lebanon.

Expansion to YEMEN

Israel has increased its ~~at~~ influence in Yemen. Yemen's Houthi group attacked Israel's oil shipment and infrastructure and in exchange Israel retaliated by striking ~~Sana~~ Sana International Airport and Power Plants ~~at~~ at Hodaida of ~~the~~ Yemen, thus incapaculating Yemen in war.

In GULFING SYRIA To Prevent Arms Supply

Israel has increased its military advancements in Syria to stop Syria exporting and supplying weapons to Hamas and other forces against Israel.

ISRAEL & IRAN CONFLICT

Iran has supported Hamas in Gaza and Hezbollah in Lebanon against Israel, and to maintain its influence in the Middle East. But recent war events of Israel and Hamas and Israel on Hezbollah, has urged Iran to recalibrate its strategy towards proxies.

Israel: Assassinated Hamas and Hezbollah Leaders:

Israel's assassination of leadership members of Hamas and Hizbullah, has weakened both ~~organit~~ organizations' operational capabilities. Israel Defense Minister, Katz, has publically confirmed Israel's involvement in assassinating Ismail Haniyah, leader of Hamas in Iran, and Hassan Nasrullah, leader of Hizbullah.

Israel's warning to Iran to step back

After publically claiming ~~asa~~ assassinations of leaders, Israel has warned Iran to step back before facing the same consequences like Hamas and Hizbullah. This threat and direct warning has escalated tensions ~~and~~ showing Israel's plan ~~of~~ securing its national integrity and concerns.

Iran's Oil Dynamics and Geopolitical Implications

Iran gets a major revenue of its economy from oil exports. Israel - Iran war escalations could impact severely oil infrastructure, interrupting oil export route, and strike at oil based locations by Israel. If this could happen, Iran will use the Strait of Hormuz as a leverage to negotiate conflict.

OPEC+ and Oil Supply chains

OPEC is an organization of Petroleum Exporting countries to which Iran is a key member. If it was expanded to Iran's oil ports, the oil supply chains would strongly be affected causing

disruption in supply chain and thus spiking the oil process globally. Such consequences may will lead to severe economic set back to already crippling global economy.

CONCLUSION

Incapsulating the whole discussion, Israel-Hamás war continuation is will expand it to regional instability and interrupting global system severely, resulting in severe outcomes from casualties to economic crisis. This must be stopped by proper resolution between them reviving Middle-East importance around the globe.
