The European countries reject the visas of Pakistanis with excuses without understanding the applicants despite they do hard preparations for it. On contrary, Westerns face no visa restrictions, get respect and lecture Pakistan as well. They deem Pakistanis as problem in Europe, ignoring their hardwork to get visa. And if visa is granted, applicants question themselves, why they left their country? Europeans need to know Pakistanis have equal rights like them, perhaps they will once Pakistan becomes a developed nation.

Q7) Translate Passage into English.

An African thinker once said, when English people came to Africa, they had advancement and we had land. They said "we are here to give you development!" we closed our eyes. When eyes got opened, we had advancement and they had our land. Similarly, when social network science came, they had Facebook and whatsapp. They said "it is free!" we closed our eyes and when opened, we had Facebook and whatsapp and they had our independence and personal information. Hence, whenever **something** is free, we have to give our independence as **its cost!**
we end up paying for it with our freedom.
