Once African thinker said, British had innovation and we have land. When British came to Africa, they said 'we came here for your development.' we trusted them blindly. They got our land and we got innovation upon awakening. In the same way, when social network science came, they had facebook and Whatsapp. They said these are free of cost. we again trusted them. when we opened eyes, we had facebook and whatsapp and they got our liberty and personal information. Thus, whenever something is free, then we have to pay the price.
