

ATTA-UR-REHMAN - Test 1 - Current Affairs - 29 December - 2024

Q1

Introduction:

Israel invaded Gaza on October 9 in response to the October 7/8 episode, where Hamas attacked Israel. In retaliation, Israel has committed genocide of Palestinian masses. And the whole world has witnessed it. Therefore, Israel has committed war crimes, by targeting civilians, burning of hospitals, killing of children and pregnant women. Owing to this reason, the ICTJ has issued an arrest warrant against the perpetrators especially Israeli Prime Minister. But, the U.S. has threatened the ICTJ over the issuing of a warrant against Israeli PM. Further, this genocidal war has also created a domino effect over the Arab states as well.

Israel Invasion of Gaza after October 7 episode:

To start with, Israel invaded Gaza after the Hamas October 7 episode. In retaliation, Israel has created catastrophic destruction in Gaza, where Israel has committed a genocide in Gaza. Further, Israel has killed thousands of innocent people.

and the whole world is silent over the
Israeli genocide against the palestinians.

Israel Genocidal war in Gaza:

Further, Israel has killed more than
40,000 people in Gaza and the mass killing
is going on. According to the definition of
United Nations, genocide is the killing of
more than 1000 people. Therefore Israel has
killed innocent civilians, that is a war crime.
Further, Israel has demolished the civilian
infrastructure, killed journalists, doctors, and
first aid providers. In fact, mass number of
children and women are also killed by Israel.

Targetting of civilians by Israeli Government:

Moreover, Israel is targeting civilians those
who are innocent. The rationale is that civilians
who are innocent, and they have nothing to do with
Hamas and its allies. But, Israeli snipers, fighter
jets, artillery, in fact, all the military and
intelligence is killing innocent civilians in Gaza.

Killing of Journalists and UN workers:

Moving forward, Israel has also killed

Journalists and UN workers. Those who were saving the injured or the international journalists those who were merely reporting. The genocidal regime of Israel killed them as well. To elucidate, Shireen Abu Ala the journalist of Al-Jazeera was shot down by Israeli snipers while giving coverage regarding Israel's genocidal war.

Israeli government involved in killing of pregnant women and innocent children

Moving forward, Israeli government has killed thousands of innocent children and women. The reasoning is that among the total people killed by the Israeli regime, among them a great chunk of masses are children and female. Indeed, Israel has killed almost thirty thousand children, and 13,523 women among them most of them were pregnant women.

Burning of hospitals by Israel

Furthermore, Israel has also burned the hospitals where Israeli government claimed as the safe heaven of Hamas fighters. In fact, all the injured were killed when Israel bombarded the hospitals especially in Khan Younis.

ICT response to war committed by Israel

In fact, International criminal court of Justice (ICTJ) has issued an arrest warrant against Israeli government. Particularly, Ben Gaurin and Benjamin Natan Yaho the Prime minister of Israel.

Arrest of Israeli PM saga by ICTJ

To delve deeper into, ICTJ issued a special warrant against the killings of innocent people in Gaza. Where Benjamin Natan Yaho was to be arrested if he travel abroad to any count that is the signatory of ICTJ.

U.S. threaten the ICTJ over arrest warrant of Israeli PM Benjamin Natan Yaho

As the discourse evolve, U.S. has openly threaten the ICTJ regarding the arrest warrant that it has issued. In fact, the U.S. congress has openly threaten that ICTJ will bearly pay for its decision. Indeed, the U.S. state department has also criticized the ICTJ decision.

U.S. Openly Supporting the genocidal regime of Israel in Global arena

So, U.S. has supported Israel stance in global forum. In fact, U.S. has also given Israel diplomatic as well as economic support in order to continue the Palestinian genocide. On the contrary, the Israeli dream of greater genocide is also turning into reality. So, U.S. supports further makes Israel as hegemon in the region.

Impact over the Arab world.

Shows Arab world is severely impacted by the Israel-Palestine conflict. In fact, the Palestinian genocide has significantly impacted the Arab states. In Particular, Syria, Jordan, Egypt and ruthless Lebanon. This is how the domino effect of Arab Israeli illegal war against innocent Palestinian has impacted the whole Arab world.

KSA 2030 vision and Fall of Damascus episode

Indeed, Saudi vision 2030 is impacted and syrian regime change operation took place due to Palestinian genocide. The

cognitive is that Saudi futuristic vision seem impossible owing to ongoing issue. And the fall of Damascus threads are also selected to Israeliic war against palestiniom.

~~The Arab world seems the notion of~~
The Arab world are the victim of instability
once again

overall, the Arab world has once again became prone to instability. In fact, the after effects of Arab-spring was about to end then the Israeliic genocidal episode erupted. Therefore it has created domino effect over the whole Arab countries.

conclusion

In the final analysis, no doubt Israel has made Gaza an open air prison. Also it has committed a genocide that is ignored by the whole world. But, United Nations, and saising powers need to step forward, in order to stop further the atrocities committed by zionis regime. If not done, then this war will further escalate that will create a massive destruction.

Q2

Introduction

8/20

Hamas-Israel war has the potential to expand further. Especially in the region this war can escalate. In fact, the immediate states are already impacted by this war. Furthermore, Axis of resistance, Ansarullah of Yemen, Rebel government in Syria, and Hezbollah of Lebanon has the tendency to escalate this war further. In the similar fashion, Iran is the master mind that can give a tough time to Israel. Owing to this reason, skirmishes between Iran and Israel has also taken place, in response to the Palestinian genocide.

Hamas Israel war in transition to expand

To begin with, Hamas-Israel war is in transition to expand in the whole region. Therefore, various actors and states has also jumped into the war where they are supporting different parties. The way west stands with Israel including U.S. And Iran and its axis of resistance stands with Palestine. So, this war is in transition towards expansion.

Axis of resistance maneuvers against Israel

moving forward, axis of resistance that consist of Hamas, Hezbollah, Houthis of Yemen, Iraqi group and a small number of other fighter groups against the Israel. where they are supported by Iran, and this news is known as axis of resistance. However, Axis of resistance is in direct confrontation with Israel. And this tension is further escalating.

Houthis of Yemen declaring war against Israel

Moreover, Houthis of Yemen has already declared war against Israel. Therefore, they are targeting Israeli ships in the Red sea. Also, they are firing long range missiles on Israel in order to target Israel.

Hezbollah of Lebanon attacking from South

In fact, Hezbollah is also 'attacking from southern Lebanon towards the eastern Israeli territory. Therefore, a number of casualties are happening at both sides. It is due to resistance of Hezbollah Israel is further creating destruction in the Middle Eastern region.

Iran Intervention via direct and indirect war

Also, Iran has also intervened into this war, via direct and indirect way. Therefore, directly, by firing more than 300 long range missiles on Israel. Resultantly, targeting Israeli air port. On the other side, Israel also targeted numerous infrastructure in Iran. In fact, both the sides are at loggerhead due to Hamas-Israel war.

Russian skepticism owing to their Syrian basis

In the similar vein, Russia is also skeptical toward the war. As Russian presence in Syria shows their protection and safeguarding interest in their air bases in the region. Therefore, if miscalculation happened towards Russian air bases this will further escalate this war.

Syrian involvement in the war owing to Israel capturing Golan Heights

Thus, Syria can also join war against Israel, owing to Israel capturing of Golan Heights after fall of Damascus. Therefore, the Rebel government of Telani can also wage war against violation of Syrian sovereignty.

by the Israeli government.

Hamas-Israel war can escalate into the whole region

Tellingly, this war can escalate in the whole region. In fact, it can also move further than the Middle East. So, this war has the tendency to escalate and it needs to stop on urgent basis.

Conclusion

In a nutshell, Israel - Hamas war is entering into further perilous stage by each passing day. Therefore, this war needs to be mitigated and end. However, two state solution is the only feasible solution in order to stop this decades going war. Then only the Middle East will face stability if the two state solution is implemented in letter and spirit.
