* Translation

Once, the thinker of Africa said, "when English man came to ~~our~~ ~~land~~ Africa then they have invention and we have land. They said, that they came to make as progressable. we closed our eyes. when we opened our eyes then we have invention and

they have land. Like this, when social network science ^{invented} came in existence they have facebook and whatsapp. They said, 'that it is free'. we closed our eyes and when eye opened then we have facebook and whatsapp and they have our freedom and personal information. Hence, when something is free we have to pay for it by giving our freedom"....!
