	General Knowledge-I	
	Pakistan Affairs	
	Part-II	
QN0.2	Critically evaluate how the Twenty-SIxth	
	amendment to the constitution	
	The 26th Amendment in constitution	
	makes significant institutional changes	
	in the shucture and functioning of	
	pakisian's judicial egistem, particularity	
	with respect to supreme court and	y .
	High courts.	
	The secretary of Internation Court of	
	justice, Santiago Canton Said,	
	a These changes bing an entra-ordin	ary
	level of political influence over the	U
	process of appointment and the judici	ary's
	own administration"	0
	" The evode the judiciary " capacity	
	to indeportently and effectively	
	function as a check against excusses	
	by other branches of the state and	
	piciect human rights."	
	Key Provisions:	
	1: Judicial Appointments:	
	· The executive was now a greater role	_ makes
	in appointment of judges to minimum o	 escriptic
	under a he	- means
	2. Curb on Judicial Activismshould be	5 lines
	limiting the judiciary's ability to take	
	suo moto action or intervene in	The second secon
	executive and Legislative matters.	The same of the sa

Add the article number amended as referen	ces
3. Sheng-thening Executive Powers: Enhancing the prime Ministers role in selection of the cheir Justice and other key judicial figures. Add me Impact on Balance of Powers 1. Judiciary:-	
executive influence over judicial appointment. Reduced Activism : as started by cich. Iftikar in 2007 against the issue of public concern such as issue of nuscing person, baluchistan issue and printration of national steels will, well on for more than a decade is now officially ended with the withdrawl of suo more	S
2. Executive: conclubation of Power:- enhanced role of PM in judicial appoinments constributes executive power, which may indemine doctors of separation of powers: . potential hiero: increased executiv couto) one, judiciar influence over judicial decisions.	ts

Legislative: 3. etegislative oversight: reduces judiciarys ability to review or challange legislative actions, weakening judicial thecks on unconstitutional or unestical legislative practices . Increased hitmomy: (nitigues also see this as an increased legislative. autonomy without fear of judicial invalidation Add more arguments Recommendations: Judicial appointments should involve a balanced representation of all branches of government to minimize political influence. Clear quidelines on Suomoto acrous can prevent judicial overeach number retaining judiciary's conting to address issues of public luterest. Efforts should be put to focus on Stengthening all histitutions to function independental citizens must be educated to bout the implications of constitutional amendments to foster informed public opinion. End with conclusion. A 20 marks answer should have around 15 subheadings

QN0.4	Sir Syed was an ardeut reformer
Marquepausanistis ann ann an Air- Troil ann amhairt — Air ann an Air-	51. Syed Ahmed Khan was a visionary

COLO	Policy appears to be	
-		
	Pakistan's Foreign Policy:	
-	Foreign policy is defined as the	
	stratigies to quide government in	
	incernational Arena & actions that	
-	leaders take to protect national	
	Luterest in given situation.	-
Marie Ma	formulation of foreign Policy.	
	D Assessment of International and	and the same of th
	Regional Systems. The three basic	
	clements to assess are threats, challang	es
	and prospects (the oppurtunities).	
	Pakistan is at a critical point in history.	
	It has been faced with various threats	
-	from the regional political dynamics.	and the same of the same of the
THE RESIDENCE OF THE PROPERTY	On the westren side, pakistan borders	and the second s
	with Afghanistan, the recent develop- ments in Afghanistan and the control	
	of Talibans impore a political challange	
	in terms of its relationship with the TTP	
THE RESERVE OF THE PERSON OF T	the issue of Afghan refugees etc. Similar	ly
-	on the espen side, le are facing a	U
	un the estren side, le are facing a hostile border with India that is	
	Porentially involved in jeoparadize our	
	internal as well external Security by	
	funding non-state acrors like the BLA etc.	The same of the sa
,	Similarly the relationship with Iran and	
	cuina's cold war with west is causing	
	a spinover effect in Pakisian.	and the second second
	(2) Groat setting : 10 secure our porders	
	ue must establish good relationslips	
	Of coorperation with neighbours to	22

avoid spill over effect like that with the Taliban's government in Bighanistan and with china through CPEC, that is the biggest investor and like so. Similarly with India, establishing Trade relations, the potential of \$218, could help shifting the hostinies between the two neighbours. The current kade between the two wurmies Standata mere \$2-3 Billion only. 3 Determining the policy opnous . Pakistan Should eriage with Afghanistan government that pakistan was the first to rewgnise their government and Their is a need for establishing good bilateral ties. , with India we also med to build trust and diplomatic ties, bringing foreign players like US, UN and Saudi Arabia to resolve and dissours the Ky isue like Kashmir issue etc. g Formal deusion making: Leave a line space pakisian needs a rigorous between headings policy decision making byfonneatyess au stake holders. Historically pakistan to eign policy's was based on two main concerns i.e Security and economic. But these options weaken the political stand of pakistan, it got involved in the US-USE GOLD war, Afghan war etc which weakened Pakistan both internally and encernally.

Options:
Pakistan needs to implement its
foreign policy options by engaing
in diplomatic ties with regional
across like Iran, India, Afghanistan
as ned as china and foreign global
players like US, Rusia and Europe
Pakistan could effectively utilize
in ejeosnategic and politicais
lenerage by drawing the right
fulian policy options not only
based on Security and economy
but those dixcussed aboves.

QNO.7 " The world is

The world is evolving at an unprecedented pace, driven by advancement in technology innovation and knowledge economics Education is the cornerstone of progress equiping societies to adopt compete and thrive in a dynamic global environment. Pakistan's education system's how struggled to meet the demands of the 21st century. Plagued by Systematic challanges that hinders the dwelopment and impedenational progress.

Key Issues and Problems in Pakistan's Educational System: a. lack of Access and Enrollment

		And the second second second second
	· low enrollment rates: The gross enrollmen	t
	ratio for middle and higher school is 43	1. aud
	· Crender disparity: In 2022-23, 21 million?	espetively
