2.	What resolutions!	
Ams:	The primary lesson my most people	
	pail to keep up with their new year	
	seso ution is the approach with which	
	The goods are set. The core problem	
0	is not just the goals but the approach.	
3	These resolutions are often deven by	
	impulsive desires of societal prensuecs,	
	rather wan being geniunc and

2.	Why : Year?	
Aus:		
	because of the nature of these	
	Resolutions. Resolutions are typically	
	very unclear and broad, This makes	
	it very difficult to keep a proper	
	track of meganic the sucress. For	
	instance how can a resolution	
	like," I will be more productive" lead
