DAY	£ 18/12/24 DATE 18/12/24
1.	CAN SCIENCE SAVE US?
	Ω
	Maintain the tone of the topic Answer the asked part
	Pay attention to the tense on the topic
2.	Introduction the given keywords
7	Follow the outline exactly as it is
	There statement Provide substantial research backed evidence.
	Use formal language always
2.	Science as a sourour of No use of 1st and 2nd person pronouns
^.	Historical manifestation
	The state of the s
3.	Mays Heard 1901
٥.	Mays through which science can save
2.4	(. c. his -1 -1 -1 -1 -1 -1 -1 -1 -1 -1 -1 -1 -1
3.1	Selentific advancement que healthcare con
	cure patal diseases.
	- Covid-19 vs. other pandemics in history.
3.2	Science con also ald in surtainable
	developement, for instance, in Usban Planning.
	- Chinese model of urbanization and soul cities.
3.3	Advancements & Science can about the
	vising threat of Climate change.
	- Solar garnes, tidal and geothermal means
	of energy.
3.4	Science can jurther enhance industrial revolution
	to meet the pature challenges of hunghing.
	- 1 hillian people go to bed hungry' - WFP
3.5	It can also prevent wines and injuntarion
12.7	law and order through technological advancement.
3.37	- Survielance system &u USA.

DAY_	DATE	-
	7	
3.6	Through space exploration, sirence	_
	and in to preserve the oursterne on humans.	
	- NASA'S DART-MINSON IN 2022	
3.7	Science can also save humans ofour	
	lagging behind through commetivity.	
4	- Invention of internel and globalization.	
3.9	Science can transporm societies holistically	
	i.e. Sustainable homes and neighbourhoods.	2
	- Women will have more preedom as their	
	conventional role will be handled by technology	
3.9	Through Artylical sutelligence, Source can	
	and transform the whole world.	
	- Invention of Google's Willow, generative AIs	
	and automated - guided vehicles.	
		72
4.	Despte of evident manifestations, the critics	
-	believe that screwe will destroy us: (Courter))
4.1	Weapous of mars destructions & the	Ī
	product of Science.	
	- 18ar bomb is 2000 times deadly than the	
	episoder of Heroslima and ingasari.	
4.2	Advancement & Scrence has contrabuted &	
1.2	the exploitation on Ethics among youth.	_
	- The 'stor' windset among Gent Pen Research	_
	- Science as a bool or without superialism	٠.

This explains how DART mission works not whether
depleted humans would still have outler space
to emploit. The other task DART mission did,
it struck the 10 meter asperoid and changed
its trajectory that was in-line with Earth.
This simple struck proves that humans You don't prove through examples.
through schedific exploration can prevent you prove the
humans to meet the same pate as denotation through
Henre, Scrence, through space programs conexample
also ensure the ensterie of knows.
The second secon
Bestoles, screme and its
advancement com also save humans
from lagging behind in a past-changing
most of the compet of entired lag. & countered
by scientific revolution of internet. This allowed
humans to make this world a global village.
Now, humans are connected to each
other even 87 they are at a remote localton.
