Schengen Countries

Pakistani citizens disheartened due to the rejection of the claims of visa applications from Schengen countries. Their demands, such as, 'outfit or vague reasons', incomplete documents, suspicious bank balance, and questions on the intentions seem unsatisfactory. Conversely, Pakistanis give a warm welcome to the Westerners and allow them to lecture us about our problems. Schengen countries believe that Pakistanis will bring disaster across Europe. Schengen countries need to understand and treat Pakistanis as humans as the situation may alter for them in the future.
