## B. Direct & Indirect

John asked if Bob had heard news about Jake.

Bob inquired, "No, what happened?"

John replied that Jake had been terminated the previous day and inquired if he could believe it.

Bob exclaimed, "What? Jake? Why? I thought he had been doing well in his role."

John explained that there were some budget cuts and they had to let a few people go, which he found unfortunate. Bob commented, "That's terrible. Jake's been working here for years. How's he taking it?"

John replied that <sup>Jake</sup> was not taking it too well, understandably, and that he had offered support, but Jake was still processing everything.

Bob expressed, "Ugh, this is too hard. I hope he bounces back soon. It's always tough when someone you have worked with for so long has to go through this."

John concluded that it was a tough reality, and they would miss having Jake around the office, hoping he landed on his feet soon.
