

Q. 7. to be useless in next

All degrees are going of technology and desire three years. The speed of our previous information to benefit by it is so fast that the syllabus and sources of informations even the syllabus and subjects are to be irrelevant. When every information is available on a palm sized phones, then skill dominates the knowledge and action surpasses the thought. In coming days, now it is a concern, how story tellers of pulpits could have been able to unify its listener and how teachers will illustrate the illusion of universe to the students of class room who are at the same time benefit by internet.
