Q No # 7 Translation

All the degrees are going to be useless in the next three years.

Technology, and the urge to benefit from it, is very fast. Resultantly, our previous information, and its sources, even curriculum, and the subjects are becoming irrelevant.

When all the information is enclosed in a palm-sized screen of the Mobile phone, the skill takes over the knowledge and action leads the thought. In coming days, it is feared that how a speaker could unite his audience! How a teacher could make his internet-sidder students understand in a small classroom!
