Direct and Indirect speech

John asked Bob whether he had heard the news about Jake. Bob replied that he hadn't. Bob asked what had happened. John told him that he had got terminated the previous day. Could he believe that? Bob asked ~~John~~ the reasons behind Jake's termination as in his point of view, he had been doing well in his role. John told him that there had been some budget cuts. Therefore, they had to let some people go. It was really unfortunate.

Bob said that that was terrible. Jake had been there for years. He asked how he was taking that. John replied that it was understood that he did not take that well too. He was shocked and frustrated. He said that he had tried to reach out to offer support, but he was still processing everything.
