"Role Of Citizens In Upholding State Institutions"

(Title with Mark)

no need to write about author

Author says for true democracy respect for constitutional institutions is necessary.

Democracy comes of keeping the purity of these institutions: judiciary, legislature, and executive. All these institutes are important for making, implementing and ensuring of law. Citizens and leaders should trust and respect them. True democracy comes when they fulfill this. When citizens trust on them they work efficiently. Overall performance of nation improves. Respect of institutions is necessary for democracy, accountability and to strengthen the nation. It is our responsibility as a citizen to support them. For inspiring public, political leaders contribute to maintain their proper working.

Q NO: 3

Passage.

Q: NO: 1.
