Hamas - Israel attacks; its implications on Saudi Israel negotiation

The ruthless military attacks by Israeli army caused far reaching implications on regional and global conflicts.

Saudi - Israel negotiations on normalization of ties has effected. In 2020 Abraham deal with five arab nations including UAE, Morocco, Sudan and Bahrain, Saudi provided a great space for transportation, they also increased numbers of programs on abraham which is common root of Arab and Israel. The media was started debating that Saudi - Israeli relation is going toward normalization after Israeli inception.

The Statement of M. Bin Salman Saudi King

"If the arabs have the right to live on Arab Land but also have Jews."

The statement shows that the process of normalization was on going. However after the hamas attacks, the situation was changed. No State can go against the sentiments of public. The public opinion was against Israel, this issue was in limelight and sentiments toward

Palestine was rived. US Sectary of State was made a way to M. Bin Salman but He waited him for two hours and no statement was made given, also hamas was not called terrorist by Saudi King. The reason behind this was the recent normalization of ties between Iran and Saudi. Iran has always been trying to use sentimental card against Israel thats why Iran was in favor of Hamas and this was the reason why this issue is highlighted and support was coming from Arab lands.

### Israel - Hamas conflict & Global Power rivalaries

Western World led by US, UK and France have favored Israel, Also their media giving space to Israel. They also tried to give clear chit for military action (Brutal attack) under self defence idea. West seems to be strongly supporting Israeli Governm ent. President of US, Prime minister of UK and France government did not condemned hospital attack and Said it is not done by Israel.

by ignoring that Hamas have not such potential to destroy such hospitals but they are giving cover to Israel. For west Israel is important that's why they ignores the protest that are conducted. 200 protests occurs against Hamas while 2000 plus protests was conducted against Israel. However Russia and China going to play their card. UN Security Council presented the resolution against Is Palestine but <sup>denied</sup> ~~avoided~~ by China and Russia. The stance of China and Russia was to table talk and find out the root cause. UAE also condemned violence and supported peace. In CPEC celebration, Sow talk was BRI but China Russia stance against middle east was highlighted their and said that it should be resolved. They doing Soft Power Projection. This would be ~~sad~~ for US and opportunity for Russia and China. US President was supposed to meet Egyptian, Jordanian and Isrealian and Saudi head of state but the Saudis cold shoulder toward US secretary of state. changed every plan. While the Russia and China have opportunity

Yes.

-for diplomatic influence and opportunity of economic influence.

### Impacts on trajectory of regional relations.

The unfolding situation is having strong reverberations around the region.

Beginning with Egypt and Jordan in particular, the humanitarian crisis and the military response have raised concerns of mass displacement.

Israeli military spokesman suggesting that Palestinians in Gaza fleeing its air strikes should head to Egypt, Egyptian

President said he would not allow the issue to be settled at the expense of other. King of Jordan stressed that

Israel to call for substantial numbers of West Bank Palestinians to go to Jordan

so Israeli forces can confront extremist groups in the West Bank.

Also Israel have to withdraw its diplomatic staff from both Amman and Cairo. The attacks of Hamas

and Israel have disturbed the peace of the region.

## Conclusion

The attacks of Israel have far reaching implications on global power politics and regional politics, Saudi - Israel normalization agreement is that is under process was stopped due to these attacks because the recent progress of Saudi - IRAN relation is far more significant for Saudi. Also the massive displacement that is from toward to Egypt is not welcomed by the Egypt. The relation of Israel with Arab world is completely blocked and it is also a ~~was~~ <sup>is</sup> setback for USA but the Russia and China are beneficiary of this. However the attacks are violation of Human rights and it must need to resolved for Global Peace.

Yes.
