PART- II)	
Q. NO. 5	
Pak-Afghan Relations	
	-1-
I- INTRODUCTION. Pak-Afghou Relations in the wake of current developments:	
the wake of current developments:	
After the establishment of	
Taliban's government in kabul, it	
was hoped that the relations between	
Pakisteen and Afghanisteen will be of	
cordial nature. However, the situation	
luined bleak when the frequency and	
the intensity of attacks by TIP and	
ISKP escalated once again in Pakistan.	
In response to this, Pakistan decided	
to pull out Afghan refugees of the	
land. There developments have the	
potential to turn make the	
situation even worse But still, it	
can be hoped that if bath the	
states tun to table and decide	•

	mutually for the betterment of the
	some extent.
	Service Exent.
11-	H Brief Overview of Pak-Afghan Relations:
	Being the mostim majority states. The relations between both
	of them should be lived both
	the story of the history of their
	relations is not simple at all.
	Post-Independence Afghanistan did
	Era not accept duran
	line
	- They claimed -to have the
	Jand of Pacislain until the
	Parhtunisteu.
	Cold- War Fra _ US backed
	government and Pakistan's support

	for Afghanisten remained alligned.	
	Post 9/11 Era , Silvation again	
	turned bleak when Patistains	
	agreed - le provide military bures	
	to US.	
	Taliban government Since Ju	
es.)	in kabul start of	<i>a</i>
	Taliban government. Por Afghanitan	
	two years ago, it was hoped	
	that relations will get beiter.	
III-	KKP and Tip Backed Attacks	
	in Pakistan from Afghanistans	
	land:	
	Since the Taliban got	
	control over kerbul, the number	
	of militant attacks in Pakislain	
	have been meregard. The UN	
	reports also say That the	
	militant groups never enjoyed this	

	much freedom in Afghanistan That	
	they have now under the rule	
	of Taliban. Moreover, The reports	
	in Pakistan also claim that	,
	The terrorist attender have been	2
	increaved by 65% since the	
	Taliban rule.	
lv	Kepurcussions of These Attacks	
• • • • • • • • • • • • • • • • • • • •	Repurcussions of These Attacks on Pak-Afghan Relation:	
	These attacks have a lot	
-	of potential to turn the	
3 3 1 Nati	situation worse.	
	A //	
	A- Halt is Ecopomic and	
	Diplomatic Relations.	
	There attacks have	
	the tendency to bring a	
	complete block to The diplomatic	
	and economic relations between	
	there two states. Already we economy	
-:	of both the states is in shackles	

hence, this is not a good omen	
B- Stategie leverage for the	
B- Strategic leverage for the other regional Powers:	8
The dent in Pak-	
Afghan relations can give an	
opportunity to other regional powers	
to exploit the situation and	
play against Pakislain and	
Afghanistai.	
 C-Hurdle in the development	
C-Hurdle in the development of CPEC to Afghanistan:	
I the last trilatered	
meeting of Pakistan, china and	
Afghanistan, it was agreed to	-
extend CPEC to The Kabul However	
 the emerging attender are posing	
hurdle in the way of this	
ex tension.	
the second of th	4-1

V	Pakistanis Decision to expel all	
	the Afghan Refugeer:	
	the Afghan Refugeer: In octobor, 2023 The	
	interim government of Pakislain	
	decided to expel Afghan refugeer	
	out of Pakislan	
TXP		
	Rise en milifant	
	affacks	-
	Reason	
	Expulsion	
	Economic Socio-cultural issues	
VI	- Reputeusions of Pakistanis decision	-
	to pull them out:	
	Pakistan's decision to pul	
	out all the AT refugers of	
	Afghanisten from Pakisten can	
	have a lot of repulculions for	
	both the states.	

_		
	A- Further Pent in Pak-Afghan	
	Relations:	
	Pakistan's decision to	30.43.23 31.33
	expel out The refugee will	
	furiner deteriorate Pak-Afghan	
i.	relations, giving rise to achieving	
	any negotiations.	
	Jerrania	
	B. International Condemnation	
	for Pakistan:	
7	The world organization	
	and leader have been condemning	
	Pakistan for this step. They have	
	been codumning such move on	
	the bours of Human Rights.	
	C- Repurcusion for expelled	
	Refugees back in Afghanista.	
	The refugees which	
	have been pulled out wi'might	
	face severe consequences back in	
100	their lands at the hands of	

	Taliban Ted government.	
		,
VII.	Suggestions for Pakislan and	
	Afghanistan to Reach Peaceful	
	Negotiations; WAY FORWARD.	
	Following are the suggestion	-
	for both the states to make	
- t- ;-	out their issue.	
-	A-Guarantee by Afghanistan to not to Provide Safe Havens:	
	not to Provide Safe Havens	-
-	Afghamistan Should guarante	
	that at all cast t will make	
	sure that no terrorist group is	
	able to we it land against	
	Pakistan. As the spiritual father	
	of Tip, they should ark Tip	
	to stop carrying out attacks.	
4.		
	B. Table Talks Before taking	
	any Decision: Boil The state	
	Both The STATE	

should agree	-lo hold peaceful talks
	ing any decision. As,
Pakislan's	decision to expel out
Afghan repres	ee was unitation, it
was not	accepted by Afghanvillan
Hence, tou	ble talks are must
to have.	
VIII CONCLUSION	•
11	short, Pakislain and
	relations are not
in good	terms. The major reasons
behind Bu	uch situation are
Pakistan's a	ittacks by ISRP and
TIP in	Pakislan Using Afghan's
land and	Predict relationship or pak afghan in wake of these two development
un lateral a ec	ision to expel Afghan
efugez. House

	Q. NO. 4	
	Polentials and Fuline	
	Rospects of Imetic	
_	and BRI	
	Chie or	
_	Transport IMFER and Boi's	
-	INTRODUCTION; IMEEC and BRI'S potentials and Propects:	
	On the platform of	
	On the property	
	G20 meeting, a new economic Corridor named as India - Middle	,
	Corridor named at most Corridor (MEEL)	
	East Europe Economic Carridor (IMEEL) was announced. It was is the project	
	was announced. It was it as proportions	
	which aims to recluce the importance	
-	of Belt and Road Initiative (BRI)	
	by china. Both the projects offer	
	a lot oppositionities for the	
	member state in terms of economic,	
	and strategic leverage. However, on	
	comparison, BRI 11 fas more	
	impostant than that of MEEC	
	because of the magnitude in terms	
2000	of everything.	

TI-	IMEEC; A US Backed Economic	
	Corndor:	
	IMFEL, which was	
	announced on the platform of	
	420 summit in India, is barically	7
	backed by USA in order to conter	
	the expanding influence of BRI.	
	Greece.	
	Januar Jurael	
	and a section of the	
	saudia Arabia	
	All there above shown	
	states are important because of	
	the posts that will be used	
	to connect this corredus.

IV-	Itospects and Potentials of IMFEC.	- , .
	Prospects and Potentials of IMFEC:	
	potentiale and future Prospects.	
-		
	A- Expansion of Abighom	
	Accord'.	
	Abraham Accord, which	
	was signed in 2020 ours to	
	normalize relation of June with	
	muslim states. Through this project	
	The expansion of Abraham accorde	-
	muslim states through this project The expansion of Abraham accord; acceptance of Irrael by KIA	
	is promised.	
	B- Influence of USA in the	
	Region:	
	As the influence of	
	USA how been in declining	
	(ituation in the same	
	turach to want 1	
	AL TOO Broken also	
	" We (DIA) will not	
	Me (USA) will not leave this	

/	
Region to be filled by any other	
power like China or Rusia". Su,	
this comidor will help UsA to	
get back to it lost position.	
	1
C- Economic Opportunities for	
the Stake holders.	
This project hou	
the potential to enhance the	
economic muscle of the stake holders.	
KIA will be able to reach	
	8 F 1
Its 'Vision 2030' more early while Inclia will also be eather able	
to enhance its trade.	
Y BRI, A cornerstone of Chinai	
Foreign Policy:	
China, in 2013, started	
its BRI project which it	
calls on the corner stone of	
its foreign policy. This project a	
expanded to more than 120 states	
120 3 600 94	

		<u> </u>
Dec	3 continent and 7 regions.	
hì	@ Puisia	
<u>-</u>	Olurky S	
	0	
	China	
	Cuxidar	
	Osnlanka	
	6 Myanmer	
	Under BRI, China aims to	
	build six Economia comidors	
	and a sea bared String	
	of Penils'. It cover in following	
	region.	
	1) S. Asia u) South east aria	
	2) Europe 3) the Russia	
	3) Middle East 6) Central Asia	

Tī	Prospects of BRI; China backed
1	Project:
	This China backed
	project aims to connect the
	world. It has the following
F	future prospect
	A-Reduction in Poverty:
	With this project,
	the poverty of the world
	can be reduced. As in the
	case of Burgladeth, just
*	one bridge was build by China
	under BRI which led to the
	reduction of povety by 0.8%. of
	909
	B. Interconnection of the
	Continents for eary Trade:
	Ai thi project
le a	covers more than 120 states

	tontinen connected which includes	
	seven regions. So, the system	
	of trade will become eavier.	
	C-Promotion of Set Power	
	of China:	
	This project also	
	aims to promote soft pawer	
	of China Colong Im continents	
	by inverting in them and creating	
	opportunities.	
Ţ,		
Vii	Comparison of IMEEC and BRI.	
-		
	H Critical Analysis	
-	C	
	Similarities	
-	1) Both aim to promote soft	• •
	image	
	2) Both are economic comider.	
	3) Both promise huge invertment	
	4) Both are expanded to

<i></i>	t
The companion and the contract	200
of boin in project show that	
altrough both promises huje	
invertments and connections but still	
IMEEC is no vay near to	1.9
BRI in terms of countering	
then.	
2 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 -	1
VIII CONCLUSION	
In a nutshed, IMEEL clearly	
aims to counter. The influence of	
BPI and enhance the soft power	
of USA. However, the future	
prospects of both of them clearly	
show that thinks BRI is for	
more bigger project both in terms	
of expansion and investment.	
Follow the sequence in the question parts	

2	Q. NO. 7	
	One China Two Systems	
	Policy' 1	
	to Beath graphyras in the	
L-	NTRODUCTION:	
	After independence of	•
	Chine, the Communist facty of	
	China (CPC) was able to form	
	its government in the major land	
	However, - lu democratic l'eaders	
	fled - to Taylan and declared there	
	governance in the region. China does	
	not accept in independence of	
	Taiwan. For the peaceful trislence	
	of both, China nin 19501	
	in troduced "One China Two Systems	
	Policy". USB. was also signoctory	
	of this policy. But, now USA is	
	again supporting lawar and is	
	establishing diplomatic relations It	
	clearly hints at the deteriorating peace	

		Peri.
1-	One China Two Systems Policy: In 1950s, China introduced	
	In 1950s, China introduced	
	this policy to the world. In order	
	to built diplomatic relation with	
	China, a country must be	72
	a signatory of the policy. As	
	per this pury, china and	. :
	Taiwan are one state; Taiwan	
	11 also the part of china. But,	
	both of them will operate different	
	systemi. Since then, china hou	
	been a communit slocke but	
	Taiwan is following democracy	
	without any sovereignty or military	
	eng development.	
11	Us and its Strategic Ambiguity	
	USW Me and bein a	2 .
	signatory of "One China Two	
	Systems Policy". However, in the	
- 144	current times, USD how started	
	Supporting Taiwan for it independence	

USA, in this respect, says that	
"USA supports Paiwan and its right	
to defend itself against Chipere aggression",	
Such statements, on part of	
USA clearly indicates towards	
WA's strategic Ambiguity!	
A-USA's actions that supported	
Taiwon and hurt China:	
following are the	1
With action, or policier, towards	
thin Paiwan hurt China.	
a- Nany Pelosio's visit to	
Taiwan 12 2022	
6- USA's military support	
for Taiwan.	
c- Paiwan and USA's military	
drills in the region	
 d-Diplomatic achanges between	
USA and Cailcan	

	B- Chinai Reaction:	
	China ha, time	
	and again, told USA that "Taiwan"	
	is the red sine" between their	
	relations and any engagements	- 13
	with Taiwan are directly against	
	Chinai One China, Two Systems	
X	Palicy"	
	and the second of the second of	
IV	Possible Implications of Rising	
	US-China Conflict Over Taiwan:	
	the rising Us-China	
	conflict over faiwer hou	
	the following pouble implications:	
	A- Direct Military Conflict:	
	Between USA and China:	
	As USAV and	
	Chinai relations are deteriorating	
	due to samuen there is a	
	high possibility of direct military	

	conflict between both of them?	
	and the second s	
	B- Rue of "Us vs. Them"	
	politics:	
	As in the case	
	of cold war, it is also	
	possible that, this time too	
	the block politics of "Us us-	
	there take to the ground.	
	C- Halt in Diplomatic Relations	
	of China and USA:	
	The conflict over	
	Taiwan can or40 use to the	
	erpent that both the states	
-	endi up indiry diplomentic relations	
	The trade bet releation are already	31-24
	in Perilian Situation.	
_		100
	D- Cold War 2.0.	
1	Due to USA and	
	Chinai conflict, there is a high	

possibility of cold was 2. Even	
 many scholars believe that his	
world how already stepped into	
 the Cold was 2.0 era.	
 D	
 Keucommendations le perce tu	
 Tensions:	
Inoide to end the conflicts	
USA and china can take pollowing	
 Course of action.	
 A-17(A should fill book to	
A-USA should full back to its "One China Two Systems"	•
Policy:	
In order to maintain	
peace of the world, Ush should	
end its strategic embiguity and	
full back to 1450's policy of	
One China Ruso Sy, tenso pubry.	
The state of the s	

	B- China to also stand with palicy	17.00
	Without interfering in the politics	
	of Taiwan:	
	China should also	
	stand its poly and	1.
	respect the demaratic principles	
	of Taiwan without interference.	
	C-USA to stop engagements with	
	Taiwan:	
	On WAY part of it	
	Should stop supporting Trawan state	
	visits like that of Nancy Pelvii's	E 19
	should be prevented.	
V	CONCLUSION:	
	to conclude, USA's palicy	
	towards chira is of strategic	
	ambiguity which is creating nitt	
	in the relations. Hence, both	
	should fall bouch & policy of	
A	de mapo and charts	
Ō	existence	

	Q. NO. 8	
	SIFC RANGE	
T.	Introduction; Sife and an opportunity	
	to attract FDI in Pakislan:	
	The interim government	
	of Pakisteen, with the collaboration	
	of military, established special	
	Invertment Facilitation Council (SIFC)	
	in 2023. It aims to attract	
	foreign Direct Investment (FDI)	
	in Pakislan from Middle East	
	and China in five major	
-	sectors. The formation of SIFC	
	has a lot of potential to	
	attract FDI in Patiston from	**
	the targeted states. However, it	
	has some challenge, which	
	need to add en to fulfil ibi	
	Promiser.	

L.	SIFC; It's Structure and Function:	
	SIFC was created in	
	2023 in the backdrop of serious	
	economic Unis in Pakisten	· ·
	owing to falling FDI, Remittances,	
	value of Currency and increasing	
	debt builden	
	A- Structure of SiFC.	
	the mein strutcholdes	
	in the SIFC are the military	
	and the government leaders.	
	It consists of apex Committee at	
	the top headed by Chief of	
	Army Staft of Pakisten including	
	deader of federal and provincial	
	government	
	B. Functions.	
- Ta	The main finctions	
	of SIFC includes the following	

TA A	2- Anny's guarantee to gulf strates	
to	invert in Pakislain	
	b- Removal of Red tagin in	
th	e process	
a a a	c- Summon anyone to enquire	
ì	t corruption hoppens	
2		
III- SIFE	; Targeted Aseau and	
	miser:	
	Sife does not target	
all	the area to fulfil its	
pro	misei	
	A- Pargeted Area: Following are the	
	Following are the	
F	ive targeted areas to attract	
F	DI in Pakillan under SIFC:	
	a- Energy	
	6. Natural Resources.	
	e- Agriculture	
	d- Defense	
	e- Inclustry	

	B- Promise.	
	In a short term,	
	SIFO promises to attract 95 bn	
	invertment in 3 yrs and \$30bs	
	within 85 yn. In the long terms	
	it aims to achieve The overall	
	GDP of worth Ilto by	.:
	the year 2035.	
N	Opportunitie for Pakistan under	
	Sifc:	
	Following are the	
	apportunitien for Pakistan.	
•	D NAIL	
	A-Military's involvement will give confidence to Gulf	
	give considence to Gulf	
	States to govert in takislan	
	Gulf glade are	
	not democratic hence they do	
	not don't the democratic	
	governments of Pakistan But,	

	.
the mudlement of military, the	
permanent inititution, is will give	
unfidence to them to invest in	
Part
