The demand por a seperate muslim State in the Indian subcontinent and the beeth of Pakistan was been ght by various political, social and bruid pactois. Thus, the issue cop a seperate electorate and sepresenta tion created a might to the creation of Pakistan. The pollowing is a belakdouin of how the sesistence of congress ministries to represente electorates brought up the demaind of a seperate muslin state. The derial of Congress Ministries to seperate eletrosates:busing the 1937 elections, the Indian National Congress former gouernments in secret provinces Bretish India.
