Part-II

(Question :2)

How congress ministries and rigidity of congress - - - - - - - - - - -

Introduction :-

After winning the election, Congress ministries started atrocities on the Muslims of Sub-continent. They even deny the right of separate electorate of Muslims. The harsh steps of congress ministries paved the way for the Muslims to get independence from them and make separate homeland. Although Allama Iqbal gave the concept of separate state, but before 1940's, there was no any struggle for

independence. The struggle was started after the harsh steps of congress.

The atroticies of Congress ministries and changing Muslims thoughts :-

Hindi became national language ⟶ Congress Flag was National flag

Bande Matram became the national anthem ⟶ Prohibition on cow slaughter

Construction of new mosque banned ⟶ Harassment of Muslims during prayers

Wardha Education scheme was introduced ⟶ Policy of discrimination

(i) Hindi became national language:-

Congress declared Hindi a national language after winning elections. Whereas on that time, Sub-continent have many nations and they spoke different languages, but because in congress, most of the leaders were Hindus, so they believed that Hindi should be national language of whole Sub-continent. Due to this step, they showed muslims that this is the state of Hindus only.

(ii) Congress Flag : National Flag :-

One form of congress atrocities was, they made congress flag national flag of the Sub-continent. Muslims supported All India Muslim league, but this harsh step of congress forced them to accept Indian National congress is the only national platform of the sub-continent.

National Anthem converted into Bande Matram :-

Bande Matram was declared national anthem by congress ministries. Congress wanted to change Muslim's identity due to this step. They even spread Indian nationalism from these steps. This behavior of Hindus impacted on Muslims, and they started think about Iqbal's dream/vision.

Strict prohibition on Cow Slaughter:-

Prohibition on cow slaughter is the step that is enforced in current era. BJP government has enforced this ban Muslims. As Muslims have holy worship of cow or animal slaughter, but they banned this to realized the Muslims that it is the state of Hindus.

Construction of new mosque banned and harassment of muslims during prayers:-

Congress ministries banned the construction of new mosques as they practiced in current era like demolished Babri Mosque and built Ram mandir on the place of Babri Mosque. On that time, Congress banned on construction of new mosques and they even harassed muslims during prayers.

Wardha Education Scheme and policy of discrimination:-

Wardha education scheme was introduced by congress ministries. According to this scheme, they wanted to change the muslims identity, as the worship of the picture of Nehru is obligatory. These are the triggering steps that forced muslims to struggle for their

separate homeland.

Response of Muslims:-

The Sharif
Report

Pirpur
Report

Reports wrote
by Muslims
on the atrocities
of Congress
ministries

The Fazal-ul-Haq
Report

Through these reports, they highlight the atrocities of congress against Muslims. Moreover, they entitled Muslim sufferings under the rule of congress ministries.

Conclusion:-

Although Allama Iqbal gave a concept of new state for Muslims in 1930, but Muslims still struggled for their rights. No one think about separate state except Iqbal, but after the atrocities of congress ministries when Hindus even deny the right of separate electorate for muslims, they tried to change their identities, so Muslims now realized that they should struggle for their separate homeland. This was the turning point of Muslim's lives that changed the direction of their
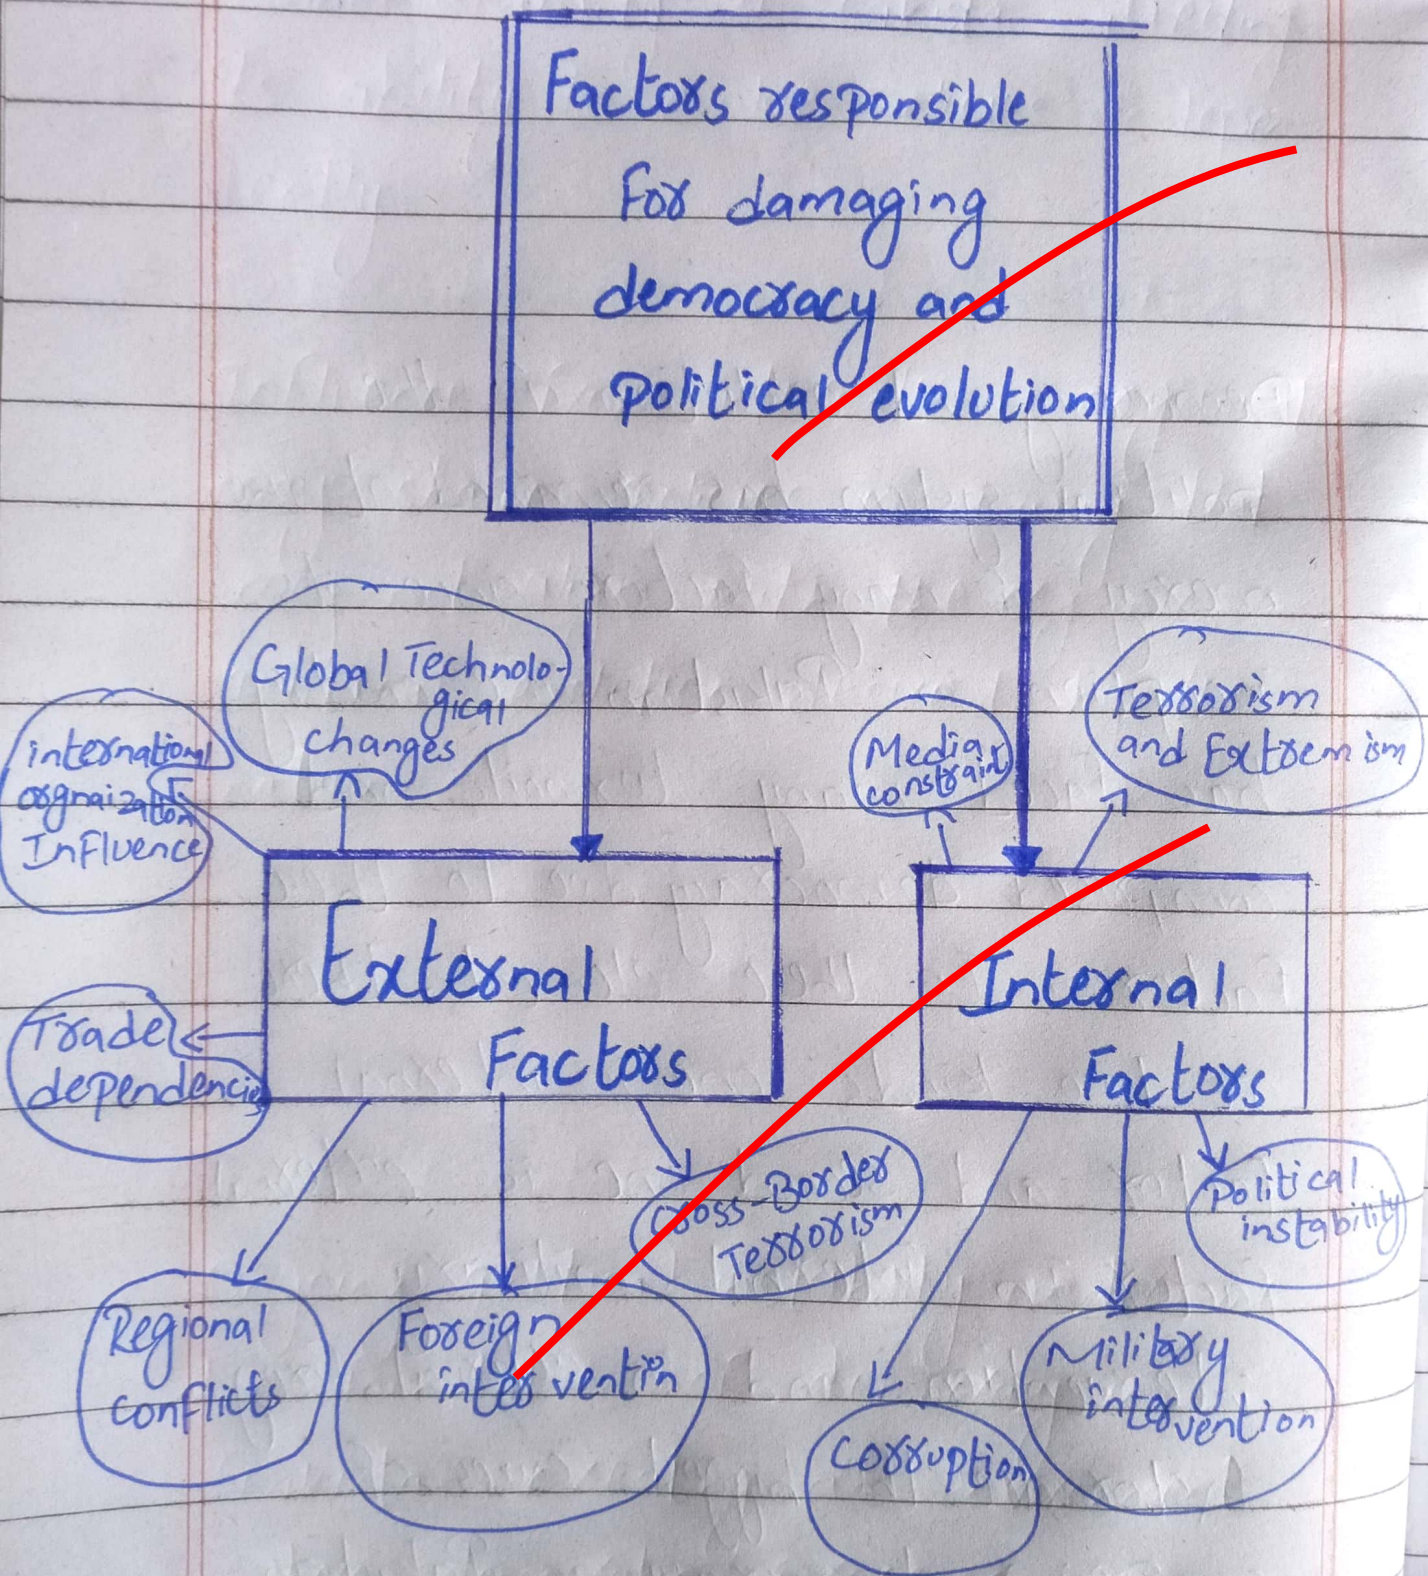

(Question: 5)

Evolution of the political system and democracy----- -- - - -

Introduction:-

Democracy and evolution of the political system has remained at the mercy of many factors since its inception in Pakistan. The country has faced many turmoils and comprised democracy due to these factors. In these element, there are two kinds, one is internal factor and second one is external factor. In internal, military intervention, and in external, Foreign factor are the biggest causes of comprising democracy in Pakistan.

Factors involved in damaging democracy and political evolution:

```
┌─────────────────────────────┐
│  Factors responsible        │
│  for damaging               │
│  democracy and              │

         │              │
         ▼              ▼
```

Global Technological changes

International organzation Influence

Terrorism and Extremism

Media constraint

```
┌─────────────┐        ┌─────────────┐
│  External   │        │  Internal   │
│  Factors    │        │  Factors    │
└─────────────┘        └─────────────┘
```

Trade dependencie

Cross-Border Terrorism

Political instability

Regional conflicts

Foreign intervention

Military intervention

Corruption

External Factors :-

(1) Foreign Intervention :-

External powers exerting influence on Pakistan's political landscape can compromise the country's ability to independently determine its political evolution.

(ii) Regional conflicts :-

Proximity to conflict-prone regions can divert political focus and resources away from domestic development, hindering the evolution of a stable political environment.

(iii) Cross-Border Terrorism :-

Terrorism emanating from neighbouring countries can destabilise internal politics, diverting attention from long-term political evolution to immediate security concerns.

(iv) Trade Dependencies :-
High dependencies on specific trading
partners may limit the political
maneuverability of Pakistan, affecting
its ability to evolve policies indepen-
dently.

(v) International organizations' Influence :-
Influence from international organizations
may shape policies in a way that
may not align with the organic
political evolution desired by the
nation.

Internal Factors:

(i) Political instability :-
Ongoing political instability undermines
the foundation of democracy in
Pakistan, creating an environment
where democratic processes are
often disrupted.

(ii) Military interventions:-
Historical instances of military coups
and interventions have disrupted
the democratic order, affecting the
stability and continuity of democratic
governance.

Conclusion:-

Democracy and political evolution
of political system disturbed due
to these external and internal factors.
To strengthen democracy, Pakistan's
government must be eliminated these
threats that destroy democratic
norms.
