Q3. Read the passage and answer the questions:

Answer:

① Hiroo Onoda is considered as a symbol of loyalty and strength because he along with his comrades continued to fight the enemy in an isolated island in the Phillipines for 30 years. He refused to surrender without the orders of his high-ranking officers.

② In 1944, during World War II, Onoda was sent to Lubang Island in the Phillipines with orders to disrupt enemy operations and engage with gurilla warfare.

③ Onado along with his unit was fighting against the enemy at a dense jungle in an island of Phillipines. When Japan surrendered in 1945, Onado and his unit found themselves isolated and cut off from communication. Thus, they remained unaware of Japan's surrender and continued to fight.

④ Over the years, attempts were made to contact Onado and his men about the war's end. Leaflets were dropped and messages were broadcasted but they believed such attempts as enemy tricks.

⑤ Norio Suzuki was a young adventurer who ventured into the jungles to find Onado. When he found Onado, he tried to convince him. He even managed to find Onado's former commanding officer but Onado eyed Suzuki suspiciously and refused to lay down arms.
