

Q#2

Title

International Law: Sovereignty of the state

Norms plays an essential role, they govern both over individuals and states in the form of civil law and international law. International law implements on the state at its consent. A various kind of conflict emerge between the two concept whether the state share its sovereignty after obeying international law or not. This conflict resolve through the concept of the theory of consent which depicts that international law retain the sovereignty of the state. The classical concept explain that when state's actions bound under various sanction it means that it share

its sovereignty. Hence, no one can
legislate any kind of law which
sustain state's sovereignty, limitations
and peace in the world.

Q#1

Rise and fall is the
story of every nation, but it requires
both passion and national support.
Japan had been under a difficult
situation after the World War II. The
atomic bomb had destroyed both the two
cities. But the disrespect of the king
was one of the greater tragedy for
Japanese than this. The Cruel attitude
of General MacArthur towards king added
fuel to fire for taking revenge among
Japanese. Japan ~~never~~ defeated America
in every. Although Not in the battlefield,
Japan began defeat America in every
field. At last, this nation remained successful
in retaining their status within few

1-1-05
decades. This story has great lesson for Pakistan.

Q #1 6
