

QUESTION #01

Transduction

Any kind of noise that interferes in human's lives is termed as noise pollution. If this pollution is left unchecked, it can have severe implications on minds and bodies of humans and animals. In Pakistan, noise pollution is among the main causes that lead to pain and sufferings. Noise pollution has reached to a dangerous level in urban and big cities. For example, according to a survey by an agency of environmental protection in Punjab, the extent of noise pollution in Lahore has reached to 91 ^{db} _{dn}, whereas 75% is the maximum enclosing capacity. It implies that mental health and physical health of many people are already on stake.

(13)

Translation

The nature has devised a strange mechanism of instilling a never-ending hope in human beings. When hope from one door closes, another opens; and this process continues until death. Perhaps if the nature had not instilled hope in human's eternal being, he would have died when getting disappointed for the first time. Disappointment would kill. He would die due to disappointment.
