Q1. Preci's

Title : The Role of Media in Society

The media plays an important role in educating societies. It can also spread disinformation, which is amplified by social media, creating unverifiable claims that confuse the public. Media oversimplifies complex issues, creating binary narratives that lead to polarized viewpoints. Modern day news cycles run throughout the day which leads to an information overload that causes cognitive fatigue and hinders

critical analysis's ability. Media creates cultural uncertainty in public by conveying contradictory values and divergent cultural messages. The attention-grabbing aspect of media, by creating controversies, can lead to societal confusion. Chaos is created when unchecked media prioritizes personal interest over societal interest.
