Question 2

Title :- Balancing Sovereignty and Order + Understanding the True Nature of International Law

The domestic law deals with individuals within state, while international law governs relation between states. International law lacks social consensus and central authority to implement rules with sanctions. The some professional raises question about its nature and denying its validity due to sanction. States law and international law is logical incompatible. The powerful sovereign states not recognizes international law is binding, while other sovereign states recognizes. According to consent theory, international legal system work only when states are signatory. Wimbledon case says treaty ^{that} used by state is the act of abandonment of sovereignty. If international law is compromised through these, it's a sham. Other claim esse politician and lawyer made draft to secure peace. International law has some

Limitation

Question 3

Q1)

Ans) Yes, I have a clear idea about ad hominem means. It is argument tricks that refers attacks an opponent's character, motives or other personal attributes rather than addressing the substance of their argument.

Q2)

Ans) Lincoln succeeded in convincing the jury by using non-malicious ad hominem. He pointed out the discrepancy between his opponent's legal knowledge and his ability to button up his shirt which led the jury to question the opponent's credibility. This strategy was effective in shifting the focus from the legal points to the opponent's personal shortcomings making the jury doubt his argument.

Q3)

Ans) Lincoln's tactic was non-malicious because he focused on the opponent's personal shortcomings rather than

the jurors own prejudices or feelings. His strategy was effective in discrediting the opponent without attacking the jurors own beliefs or values.

(Q4)

Ans) Lincoln took a risk by using ad hominem because it could have been seen as a attack on the opponent's character instead of focusing on the legal points. However, his tactic was effective in shifting the focus from the legal points to the opponent's personal shortcomings making the jury doubt his argument. As an opposing lawyer, one might have countered Lincoln's move by focusing on the legal points and avoiding personal attacks.
