( part - II) International law And State
Soverighty Hs the sules of governing defines the behaviour of individuals, the international law gives some set norms for the states. Unlike the "individuals, states are not bound to follow a law. Some lawyess perceived the legal characteristic of international law being controvertial. international Sovereign legal system and the State legal system. The theory of consent stated that the states are under binding obligation of international law. According + wimbledon case the wood

Court has became ineffective  as over the a treaty couldnot  bounds the soveceigns. Significance  as internation law is not easy  to access. No gardstick has  troug defined the nature as  internation order in relation  with the State's Sovereignty.  Total word: 344  word count: 115   PNS no 3:  1. Translation Every nation has a story of Success and failure. Buí a sonse at deprivation and national integrity is crucial in this regard Japan was under severe Crtitial situation after the second woold war. Two cities were already devastated by the distruction of atomic bombs. Bui for Japanese, a disrespect of a ting was more insulting. General Mac Arthors's dissespectful attitude towards

the king made japanese more furious. Well not in the battle ground, the japnese has started defeating the americans in every field. Eventually, the same nation has regained his position Successfully in just a few de cades. This story has a big Lesson for patistan. The End
