Title : Negative Aspects of Social Media in a Society

Social media spreads positive aspects in a society but it can contribute to bring calamities in public such as increasing wrong information. Enhancing role of social media can convert the right things into wrongs and foster a new environment of crisis. However, people has potential to search right and wrong. Besides, various misleading and confusion may be addressed to find oversimplification of social media through participation of individual. Additionally, in modern era, using of social media in 24 hour for the sake of knowledge can create burden and enhance difficulties to understand right and wrong. Besides, social ethics in a society can create conflict to use the wrong social media. Thereby, society should focus on these things which are creating negative aspects for individual due to wrong use of social media, personal and societal

different from others. Moreover, four characteristics of sportsmanship which enhance his patience for looking others such as transparency, righteous, courage and consistency in a sport ground. However, these four virtues learn to tell about a sportsman's ability and capability that he can deal others with respect and self-control.

Q.2 What are the four elements of sportsmanship mentioned in the passage, and why is it emphasized that a balance must be found among them?

In this passage, four elements of sportsmanship are mentioned such as good form, power to win the match, equality and transparency. These four elements show characteristics of a good sportsmanship. Furthermore, balance must be found among all four elements because quarrels and conflicts can be occurred in ground. Every sportsmanship wants that he wins more match rather than fairness and equality. Thus, issues

creates that because persons ignore two main terms such as fairness and equality and play for the purpose of defeating.

Q.No.3

Answer

According to the passage, sometimes the desire of win increases conflict in sportsmanship because he forgets two main elements such as fairness and equality which must be a good sportman.

Q.No.4 Answer

In this passage, some behaviours are described of "sore loser" and a "bad winner": First, sore loser always is putting the charges of loss on other. Furthermore, he does not accept his responsibility which become the reason of defeat such as immature or improper fashions. On the other hand, a bad winner celebrates his victory through grotesque

behaviour such as including making spots or marks on his face of the defeateds. However, these behaviours of bad and sore loser impact on the perception of sportsmanship. A sportman become demoralize to see the behaviours of bad and sore loser.
