Qno1

TRANSLATION

(A)

Any type of noise that create disturbance in human's life called noise pollution.

If this pollution is unaddressed than

it badly effect humans and animals brain and body. In Pakistan, noise pollution is one of the main cause of discomfort, stress and anxiety. In city regions and in big cities noise pollution reached at its dangerous level. For example, In Punjab according to survey by The Environmental Protection Agency in Lahore noise percentage is reached to 91 decibal, although more to more 75 decibal is acceptable. It means that mental and physical health of many people are at risk.

(B)

In human nature, nature has made a strange arrangement of always being bound by the ropes of hope. If one string breaks than he bound with another string. If the second one breaks than the third one. It continues until his string of breaths broke. If nature has not put in human than a person would have

Date: _____

Day: _____

ended at the first hopelessness. He
would die of despair.
