

# Question #1

(A)

Every type of noise, which interferes in human life is called noise pollution. If this pollution has left without control, it can cast terrible effects on human as well as animal body and mind. In Pakistan, noise pollution is one amongst the bigger issues, which cause anxiety and mental issues. In Urban areas and Metropolitan, the noise pollution has reached at terrible level. For example, according to Punjab Environmental Protection Agency, the noise pollution in Lahore has reached at 91 Decibal, however, it is bearable upto 75 Decibal. Which indicates that natural mental body health of many is at stack.

(B) In the nature of human, Divine power has already begun system of believe and conviction in human. In one rope breaks, he grasps the other, and if second breaks, he grasps the third and this process remains continuous until the death. If Divine power has not awarded human with such qualities, he would end at first failure and die with desperation.
