On the other hand, "Iron" represents an ordinary public who are directly infilmented by Velile class. This adage Vells that if those at higher authority become immoral, corrupt and incompetent, then ordinary people could not be expected to any be different. This adage draws a drapt that the course of actions of ruling elike directly impact the entire public. Policey Imaling are conducted at the hands of elik Elass, and elike owns the upprecedented powers of decision mulcings which definitely influence every person lin the society both in positive and negative

\_\_\_/\_\_\_/202 Day:\_\_ In addition to this, the fortune and fate of any society are associated with the lactions of its ruling elik in many ways firstly, the clike class acts as role models who are emulated by the masses for example, positical Inspiration for entire citizens. The chrasmatic leadership qualities may be emulated by its majority of public. The behavior & leaders directly inclineatly infilmence its citizens. Apart from this due to elike Capture in most countries in paragraphs for separate headings elike controls important Institutions. Mostly policies are formulated to benefit the elite class and its public Does not discuss the why? structurally excluded from padicy making. Thus, any policy formulation does not do good for the public. Given the fact, elite contrals both the prolicy making and implementing phase. Lastly, if incompetent elife fairs to keep house in order, positical turphoid, economie mettelown and social decay become prevalent in the society. In a neitshell, fate of society is directly associated with the actions of of its elite. Besides, ruling elite caused the downful groat empires. Historically, the incompetence heirs of Emperor Aurangzeb caused the clownfall of the Mughal Empire.

Last but mot least, under the charismatic leadership of Muhammad Ali Jinnah, Paleistan clame into being where Muclim can practice their religious practices feely. His leadership qualities led to the peaceful sepration of country. Thus

Muslim got their own superate homeland.

Due to visionary principles of founder,

he never comprospisce on the principle

of Islamic idealogy. Thus, it is

deduced that when a leader who

represents the entire nation, becomes

competent and herest, it can lead

the nation, towards success. Pakistan the nation / towards success- Paleistan inception on the involders map is the perfect example of how political elite can be catalyst in the prosperity and development of any country,

To sum up, the political, economic; religious and social decay happened at the behest of elite who are in authority. Their course of aetions eventually impact Offe larger society both in positive and negative ways. Having said that, the fortune of any nation is directly associated with the behavior of edite No structure Imp. Incompeniency of ruling elite led to the downfull of Jung standing empires. Similarly, religious faroticism also plays a critical rale in formenting extremism The to compromised system, corruption and repotern are prevalent in developing countries. However, the honest and competent elite can act as force of bayouncy in nation's prosperity.
