## Q3: Comprehension Passage Ad Hominem?" mean your rivals by dispracing them on personal accounts. It means personal attack bather than opposing Especially in court of laws someone professionally and logically Lincoln succeeded in convincing the jusy by attacking his sival on personal matter sother than logically opposing his argument. When his rival made his point intellectually in Front of the jusy, Lincoln should have opposed him by intellectual counter - orgument but he insert the tactic of personal attack called ad hominem" and said that his apponents knowledge is pretended only because he does not know which side of his shist aught to be in front.

Lincoln's tactic of personal attack seems non-mali jous but it is very harroful actually. It does not provide the space for logical and rational debate to know about the touth. In the sesont of the case won by Lincoln through his non-malicious tactic hampered the process of rational argumenti hilding process and know know what the truth is actually. So, it does not matter if this practice is non-malicious or not. It has harmful impacts on justice. Lincoln lost his professional tactic of "ad hominem". If I were given the choice to oppose Lincoln's move of ad hominem, I would

The rise and fall is translation But sence of loss and national pride are important for it Japan had faced dive circumstances after second world was . Atom bombs had already destroyed the two cities. But Japanese felt mose downhearted their King's humination. General MacArthur's insuling attitude to as the Ja anese king made them anxious to take revenue. Instead of battleground, Japan started defeating America in every other field. At last, within a few decades, this nation succeeded in getting its lost glory back once again. This half a great lesson Pakistan. for
