|   | Seib-centined Muslims of the   |  |
|   | Demands of the Resolution: The resolution moved by the Has and introduced by             |  |
|   | The resolution:  |  |
|   | Dengal Chief Milister A.K. J. Fali   |  |
|   | Chaudhry Khalquzzaman Vand   |  |
|   | other water  |  |
|   | others interioria, formally called for the creation of                                   |  |
|   | an lindeplendat total  |  |
|   | in the rigions where Muslims   |  |
|   | constituted a majority.  |  |
|   | The resolution repudinted  |  |
|   | the concept of United India  |  |
|   | and recommended the creation   |  |
|   | Ostate consisting of Prinjab,  |  |
|   | NNFP, Sindh, Cand Balochistan  |  |
|   | in the northwest, and Bengel   |  |
| . | and Assain in the north east.  He was made a pail of muslim lease's constitution in 1941 |  |
|   | Pakistan Resolution: The Magna   |  |
|   |  |  |
|   | Carta of Pakistan Movement:  |  |
|   | Magna Carth is being a base  |  |
|   | considered a pase of human   |  |
|   | rights in the world. ( Same  |  |

|     | Movement. It was on the basis  Muslim teams don't all |
|     | of this resolution is the basis                       |
|     | Muslim 100 en de la la                                |
|     | for one state for the                                 |
|     | Muslims instal of two: #                              |
|     | It stated that I two #                                |
|     | No constitutional plan                                |
|     | and o be warted to                                    |
|     | to the Muslims, until                                 |
|     | WIVIFW Chipponalia II                                 |
|     |   |
|     | the constituted with                                  |
|     | be a constituted with                                 |
| -   | eadings Territorial yeadywilments                     |
|     | as may be necessary.                                  |
|     |   |
|     | The demand had a great                                |
|     | The Muslime of  |
|     | Perery pursuasion. It remed                           |
|     | membres of their past                                 |
|     | The land promised                                     |
|     | The grow herefore                                     |
|     | They cresponded to this                               |
|     | demand in mediately and                               |
|     | the Pakistan Movement                                 |
|     | was started   |
|     | 1 Har rade Pakinia                                    |
|     | In other words, Pakington                             |
|     | resolution was the piller                             |
|     | of the Pakistan hovement,                             |
|     | the base over which the                               |
|     | idea of Pakistan stood firm.                          |
|     |   |
|     |   |

| FANDIAN ALLAMS  |

| _11202  |
| It I turned the direction of Muslims of Sub-continent  Straight and clear. They Wondering here and there  For their rights, they  got a clear path to more  forward and get their  destination. They took the   |
| idea and the Movement  for Pakistan came into to  practice.  Conclusion:-   |
| Being the Magha Corta  for Pakistan Mements Pakistan  nesolution is holds a special  Place in the history. The  therefore called Pakistan  resolution, is considered to  be a milestone for the  Pakistan Movement I that  later led to the creation  of Pakistan on the map  of the World. |
